C. INSTALLATION INSTRUCTIONS

New Installation

- This application can be used for a New Install or for an upgrade to the new version.
- During the installation process, click "**Next"** to accept the default setup values displayed for each of the prompts.
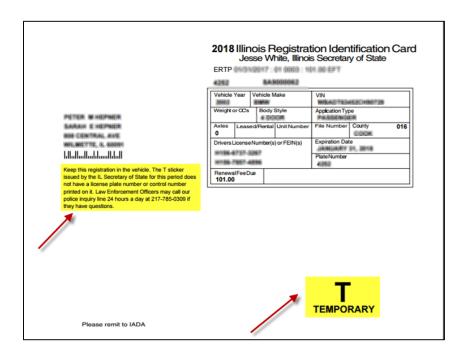

Upgrade Installation
- Clients must be on version 4.4A and 4.5to upgrade to 4.6A
- All Vista installs must be clean installs to support the new Vista directory structure
- Versions prior to 4.1B will not upgrade to 4.6A

D. STATE MANDATE

For Renewal transaction, T-Flag – suppressed plate number and sticker number from sticker

- Effective 11/17/2016 the IL SOS has mandated that we print a T and Temporary on the sticker in the spot where the sticker and plate number printed before for all Renewal transactions on plates that are 10 or more years old. The registered owner will receive their new plates with sticker within 120 days.

- Additionally, a new message to compliment the change will also be printed on the Registration Card as follows.

  "Keep this registration in the vehicle. The T sticker issued by the IL Secretary of State for this period does not have a license plate number or control number printed on it. Law Enforcement Officers may call our police inquiry line 24 hours a day at 217-785-0309 if they have questions."
